

STATE OF RHODE ISLAND
DEPARTMENT OF CHILDREN, YOUTH AND FAMILIES

PUBLIC NOTICE OF PROPOSED RULE-MAKING

In accordance with Rhode Island General Law (RIGL) 42-35 and 42-72-5, notice is hereby given that the Department of Children, Youth and Families proposes to repeal the following Department rule:

Special Education Services

This rule is proposed for repeal because its content is being added to an amended and fully integrated rule covering all educational services at the RI Training School. The amended rule, Education Program at the Rhode Island Training School (formerly named Administration of the Education Program at the Rhode Island Training School) combines previously separate policies into one comprehensive regulation for greater ease of use by staff and the general public. In the repeal of this rule, consideration was given to: (1) alternative approaches and (2) overlap or duplication with other statutory and regulatory provisions. No alternative approach or duplication or overlap was identified based upon available information.

This repealed rule is accessible on the DCYF website (<http://www.dcyf.ri.gov>) or the R.I. Secretary of State's website (<http://www.sec.state.ri.us/ProposedRules/>). Interested persons may submit written comments by **February 9, 2015** to Susan Bowler, Department of Children, Youth and Families, 101 Friendship Street, Providence, RI 02903 (susan.bowler@dcyf.ri.gov).

In accordance with RIGL 42-35-3, an oral hearing will be granted if requested by twenty-five (25) persons, or by an agency or an association having at least twenty-five (25) members. A request for an oral hearing must be made within thirty (30) days of this notice.

The Department of Children, Youth, and Families does not discriminate against individuals based on race, color, national origin, sex, gender identity or expression, sexual orientation, religious belief, political belief or handicap. The prohibition against discriminatory practices extends to the agencies, organizations and institutions the Department licenses.

Policy: 1200.1725

~~Effective Date: June 14, 2004~~ ~~Revised Date: July 14, 2014~~ ~~Version: 3~~

~~In accordance with the Individuals with Disabilities Education Act (IDEA), the Education Program provides a free appropriate public education (FAPE) to all eligible residents in the least restrictive environment. Special education services are implemented in the larger context of general academic and vocational programs. Instructional strategies address learning and/or behavioral problems and transition services for residents upon release to the community.~~

~~The Education Program evaluates residents with disabilities and identifies residents who are currently receiving special education and related services. Eligible residents receive special programs and related services in accordance with state and federal requirements, including the implementation of procedural safeguards and necessary accommodations to meet each resident's unique needs and prepare the resident for further education, employment, and/or independent living.~~

~~The Education Program recognizes that the Individualized Education Plan (IEP) is the cornerstone of the IDEA. The IEP is a contractual agreement to guide, orchestrate and document specially designed instruction for each resident with a disability based on his or her unique academic, social and behavioral needs. The Education Program complies with all requirements of the IDEA regarding the development and implementation of the Individualized Education Plan.~~
